Experience a Transforming Christmas

# Christmas Gift Catalog

Make an eternal  
difference in the lives of  
an entire village in Cambodia

*Immanuel-God with us!*

What an incredible promise and reality that we celebrate the birth of a God who is WITH us. He is also a God who is with, and has a particular love for, **the poor, the outcast, the orphan, and the widow**. He invites us to actively be a part of seeking justice and loving mercy. That's what this LightBridge Christmas Gift Catalog is all about: Joining our Immanuel THIS Christmas to transform lives in Cambodia.

Imagine joining with others to make an eternal difference in an *entire* village on the edge of Cambodia.

Perhaps you desire to gather your small group Bible Study to purchase a moto-taxi that can empower a father in Cambodia to earn a living and provide for his family. Maybe you want to engage your own children in sponsoring a child in dire need, every month, so he or she can go to school and receive a nutritious meal every day. Or possibly, God is impressing upon you to personally get involved in giving a cow, some chickens, or even a water filter to a family in extreme need.

Whatever the case, we want to come alongside you in providing great opportunities for you to join God—our Immanuel—in experiencing a transforming Christmas this year.

## About the MineField Village

In a cleared mine field, over **500 families** who survived the Killing Fields now struggle to establish a life in Northern Cambodia. In this village of men, women and children, God has been mightily at work to restore and redeem. Through compassionate and generous individuals this past year, a main road has been established opening the doors for economic growth and sustainability among the villagers. The very first school buildings now stand tall in the village and provide the venue for the first church and community center. Prayerfully, by January 2011, the school will begin to educate many of the 500 village children, 90% of whom have never been in school. The gifts purchased in this catalogue will continue to aid the people of the MineField Village and give them a 'hand up' out of extreme poverty towards a future of self-sustainability. Indeed Immanuel is God with us—and He is also with an entire village on the edge of Cambodia.

\$35

## Eggs and Income

The gift of chickens provides a family with a sustainable source of protein and nutrition as well as the opportunity to sell eggs and establish an income stream for their family. Your gift purchases: **Three chickens (two females and one male).**

\$60

## Organic Garden

A garden allows Cambodian villagers to provide a food source for their own families as well as grow produce to sell at local markets. In learning how to work their own land, they take pride in their work and the fruits of their labor. Garden starts include: fruit tree starts, various vegetable seeds, a shovel and rake. Your gift purchases: **Organic garden starts.**

\$13

## School Supplies

Purchase a bag of school supplies for a child beginning school, for the very first time. Living in a village means not having access to supplies such as paper, pencils, crayons and scissors. You can provide these items for a child in a village in Cambodia. Your gift purchases a **school supplies bag.**

Bicycle and Cart

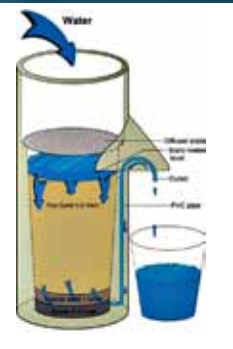

\$135

Bicycle only

\$35

## Bicycle and Pulling Cart

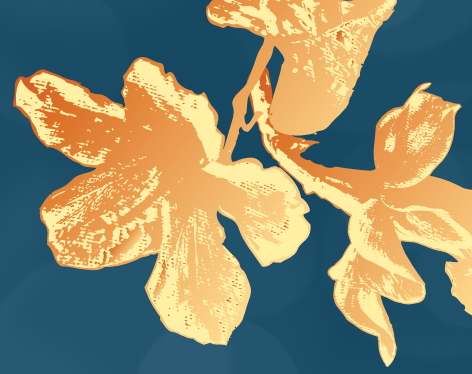

Equipping a villager with a bicycle to move about the village or town opens endless opportunities for the villager and his family. By adding a pulling cart, the villager can utilize the cart to transport fresh fruit, homegrown vegetables or handcrafted items to sell in the town. With his own bicycle and cart, the villager can save time and make a profit to care for his family. Your gift purchase either a **bicycle (\$35)** or a **bicycle and pulling cart (\$135)**.

\$55

## Bio Sand Water Filter

Waterborne illnesses are responsible for *74% of the deaths* in Cambodia. Purchasing a bio sand water filter enables a family to safely clean and filter collected rainwater. Bio sand filters have been shown to remove 90% of fecal coliform, 100% of protozoa and helminthes and all suspended sediments. These filters can supply a family with clean water capabilities for 10 years or more. Your gift provides a **Bio Sand Water Filter for a family**.

**\$450**

## Cow

Imagine the relief a father must feel when he is able to provide milk for his children because someone donated a cow. This cow can also produce milk, butter, cheese and yogurt to be sold in the market. If the cow produces calves, they can increase the size of the villager's herd or can be sold to provide income for other family needs. Your gift purchases a **cow for a family**.

**\$145**

## Goats

Give the gift of a female and male goat to help nourish hungry children and families. In addition to providing healthy milk, cheese and yogurt, goats also produce offspring and extra dairy products to sell at markets. Your gift purchases **two goats**.

\$50

School during construction

## School Desks and Blackboards

Want to help the very first school in the MineField Village in Northern Cambodia? Buy a desk or a blackboard to furnish the school for the 500 children living in the village. The new school building was just completed this year; now the need is great to furnish the school with all the necessary supplies. Your gift purchases either a **desk** or a **blackboard** (\$50 each).

\$1,200

## Moto Taxi Micro Business

Driving a moto-taxi is a one of the few dignified jobs for Cambodian peasants and villagers. However, most drivers can't afford to buy their own motorbikes. By providing a motorbike for a peasant farmer, you allow him or her the opportunity to create a viable business with sustainable income for their entire family. Your gift provides **one villager a Moto Taxi Micro Business**.

## Dental Visit

\$55

Living in remote village often means suffering through painful dental problems, especially abscessed teeth. By purchasing a dental visit, you provide funds for a villager to go to the dentist when a critical (and often extremely painful) problem arises. Your gift also includes transportation to and from the dental facility. Your gift purchases **one dental visit**.

## Doctor Visits

\$70

Often villagers can't afford treatment for the most basic of health problems. With your gift, an injured or sick villager can visit the doctor (including transportation to and from the clinic) for up to three visits. Your gift purchases **up to three doctor visits**.

# \$34/monthly

## Sponsor a Child

Want to make an eternal investment in the life of a child? Become a child sponsor through LightBridge International, and watch God transform the life of a child in dire need at the MineField Village. By sponsoring a child, you provide nutritious food, critical medical care, and the opportunity to receive an education at the very first school in the village. Be a part of transforming a life through monthly sponsorship, letter writing, pictures and updates about your specific child. Sponsor a child in the MineField Village for only \$34 per month.

By sponsoring a child with LightBridge, you'll receive a Child Sponsor Card with your child's picture and biographical information. You'll also receive periodic updates about your child and the MineField Village. Fill out the response card along with your first month's sponsorship, and indicate that you'd like to begin sponsoring a child.

## Details about Giving

**Your commitment and gifts can make a difference this Christmas.** Use the Project Immanuel Gift Order Form to indicate ways you'd like to be involved. With this form, you can indicate whether you'd like to purchase an item from the Christmas Gift Catalog or begin sponsoring a child at the MineField Village. We're excited to join you in experiencing a transforming Christmas this year.

To purchase items from the catalog, please indicate items and amounts on the Project Immanuel Gift Order Form, then include your check or credit card information. Return form and payment to LightBridge International ([lightbridgeonline.org](http://lightbridgeonline.org)).

To sponsor a child, request a Child Sponsor Card using the Project Immanuel Gift Order form and send the form to LightBridge International:
